

THE VIL-NEWS QUESTIONNAIRE

SUNDAY 21ST SEPTEMBER

QUESTIONNAIRE - GENERAL

VILNIUS 2003 - EYP REGIONAL SESSION

BYE BYE PEOPLE!!!!

Dear friends

I'm sitting in the best press room I've ever had. In a nice club in the center of Vilnius. Music is good and all the press room hangarounds are enjoying their evening. But where are all my jour-nos? Hmm, never mind.

There seems to be small design flaw with the place and the only place where I can get power is from the bar. This bar seems to be far too empty though - from personnel and drinks. But at least I have power! It's 1am and the night is young and so is the newspaper. I will get back to you later - now I have to continue working, bus to home will leave in less than 5 hours.

Ah, 0321 and the party is still going on wild! No complaints and the issue is almost ready.

0456 Ready to print, special thank you to the proofreading-editorish-chair!

Thank you all of you, this vvas again great session, because of you! See you next time =)

With Love,

-tapio
